**RE: MOUNT DROMEDARY TRAIL -
GULAGA NATIONAL PARK - CLOSED**

Due to recent heavy rainfall around the Central Tilba Area we are advising the public that the Mount Dromedary Trail leading into Gulaga National Park will be closed to all vehicles due to unsafe, slippery conditions.

Visitors or locals to the area should not attempt to access Gulaga National Park by 4wd via The Mount Dromedary Trail as it remains impassable in parts and susceptible to further damage from vehicles at this time.

For further information regarding this bulletin or information on other areas in Far South Coast Region, please contact the NPWS Narooma office on 02 4476 0800.
